

Government of India
Central Institute of Fisheries, Nautical & Engineering Training (CIFNET)

PROSPECTUS

BACHELOR OF FISHERY SCIENCE (NAUTICAL SCIENCE)
[B.F.Sc.(N.S.)]

CIFNET

Central Institute of Fisheries, Nautical & Engineering Training (CIFNET), erstwhile Central Institute of Fisheries Operatives (CIFO), was established in 1963 at Kochi to meet the trained manpower needs of ocean going fishing vessels and that of fishing industry, by the Govt. of India. Subsequently two units of CIFNET were established, at Chennai, Visakhapatnam in 1968 and 1981 respectively, for meeting the additional requirement of manpower necessitated by the expansion of marine fishing industry with large number of fishing vessels in their fleet. The name was later upgraded consistent with its functions as 'Central Institute of Fisheries Nautical & Engineering Training' (CIFNET). CIFNET is the only national institute of its kind in the country to meet the training requirements of technical and certified personnel such as Skippers, Mates, Engineers, Engine Drivers of ocean-going fishing vessels as stipulated in the Merchant Shipping (Amendment) Act. 1987. CIFNET is also responsible for developing the required technical manpower for supporting shore establishments.

The key objectives of the Institute are:

- To create technical manpower for the operation of Ocean going fishing vessels
- To create trained manpower to manage fishery establishments
- To provide training for technical teachers of Maritime States and Union Territories for manning their fishermen training centres
- To assist developing nations in the South-east Asia, Middle-east and African regions to create technical manpower for development of Marine Fisheries sector
- To provide technical consultancy service in all its related matters with special reference to technical manpower requirements.

FACILITIES

Infrastructure

The Institute has well developed permanent infrastructure facilities at its three centres which houses the class rooms, laboratories, workshop, Nautical-Chart practice hall, Simulator (ERS&N) centre, Craft & Gear practical, Library, Hostel, Recreation and other amenities.

CIFNET at its Headquarter at Kochi and its Units at Chennai & Visakhapatnam have well equipped facilities for imparting training and other related activities of the Institute.

Training Vessels

A detailed study of Nautical and Fishing Sciences is the core objective of the programme which requires sea exposure. For providing adequate sea training as per the curriculum, the institute has three ocean-going fishery training vessels based one at each centre. The overall length of the vessels ranges from 28 to 34 metres with Horse Power ranging from 600 to 750 BHP.

Departments

Each one of our Institutes at the above centres has the following Departments:-

Department of Fisheries Technology

The Department has ultra modern infrastructure for fishing gear repairs, fabrication and training. The Department imparts theoretical and practical classes on Fishing gear materials and design, Fishing technique, Fishery Biology, Deck Equipments etc. Fabrication, repairs and maintenance of fishing gears required for the training vessels of the Institute is also undertaken by this department. This Department is also equipped with a fishing gear and fishery biology laboratory.

Department of Nautical Science

The Department of Nautical Science has well equipped facilities at all the three centres of CIFNET for imparting theoretical as well as practical training in Seamanship, Navigation, Marine Meteorology and Oceanography. It has excellent visual aids for onshore training. The Department is also equipped with modern navigational equipments and has a spacious navigation hall for conducting chart practical's and passage planning.

Department of Marine Engineering

Division comprises of various disciplines of engineering such as Marine Engines, Marine Auxiliaries, Electrical, Electronics, Computer Application, Fishing Craft Technology, Refrigeration and Hydraulics. Well established Workshop and Laboratories on the above disciplines are available with the institute to impart a systematic practical training to the students during their course of study.

Marine Engineering Workshop

A well-equipped workshop is available for maintenance and repairs of the training vessels of the Institute. It also provides practical training with the special emphasis on machining, welding, smithy, fitting, carpentry and IC engine refitting.

Training Section

Training section of the Institute coordinates all the training activities of the Institute. Selection of candidates by conducting entrance examinations, interviews, curriculum development, planning, programming and conducting various training courses are dealt by the section. It is also providing employment guidance for the post-institutional trainees.

Library

The Institute library is adequately equipped with technical-scientific books and reputed journals on Nautical Science, Marine Engineering, Fishing Craft Technology, Fishing Gear Technology, Workshop Technology, Electrical Technology, Electronics, Computer Science, Fishery Biology, Fish handling, Marine Meteorology, Oceanography, Refrigeration, Hydraulics etc. at its three centres.

Courses offered

Regular Courses & Ancillary courses

The Institute has been conducting two trade courses viz. Vessel Navigator & Marine Fitter Course of 2 years duration, which is formulated under Craftsman Training scheme of NCVT, New Delhi since 2006. These two trades are started with the view of producing practical Trades man in the Marine Sector and manpower for the Deck side and Engine side of the fishing vessel. The successful candidates, after obtaining requisite sea service will become competent to appear the respective competency examinations conducted by the Mercantile Marine Department, Director General of Shipping, Ministry of Shipping, Govt. of India.

In addition, the Institute is also conducting ancillary course viz. Shore Mechanic Course (12 months) on request from State Fisheries Departments for the benefit of personnel who are managing the shore establishments of the Fisheries Organisations.

Statutory Courses

A Number of statutory modular courses such as Elementary Fishing Technology Course, Advanced Fishing Technology Course and Radar Observers Course, are mandatory for obtaining the competency certificates issued by MMD, D.G. Shipping. CIFNET is the sole agency in India approved by the DG Shipping for the conduct of Elementary Fishing Technology and Advanced Fishing Technology courses.

Refresher Courses for examination

Preparatory coaching classes are essential for the candidates appearing for Competency examinations to update their knowledge. CIFNET organises refresher training courses for Mate Fishing Vessel Examination, Engine Driver Fishing Vessel Examination, Skipper Gr. II Examination, Engineer Fishing Vessel Examination to enable the candidates to face the examination with confidence and courage.

Training for foreign nationals

The Institute also arranges Special training programmes for Foreign Nationals from countries like Nigeria, Zambia, Tanzania, Ghana, PDR Yemen, Myanmar, Laos, Sri Lanka, Bangladesh, Maldives, Philippines, Oman etc. under various schemes like FAO Fellowship, CFTC, SCAAP, ESCAP, ITEC, Colombo Plan etc. Thus over the years the Institute came out as a nodal Institution in the South-east

Asia for training the personnel of the fishing fleet and offering Special training in Nautical, Fisheries and Engineering disciplines.

Short term Training programmes

The Institute's facilities in the field of Nautical, Fisheries and Engineering Technology are utilised for tailor-made short term courses for the specific requirement of the participants as categorised here under.

- Short term training for Fishermen
- Tailor made programmes conducted for sister organisations
- Refresher courses for serving officials of fishery organisations
- Orientation courses for new entrants of fishery and financial institutions
- Refresher courses for college faculties
- Short term courses for graduate, post graduate students of Fishery colleges, B.Tech. and M.Tech. Students of engineering colleges.

The Technical expertise, training and infrastructure facilities of CIFNET are being utilised to the optimum level by conducting various short term training programmes for the student's fraternity during last few years. The ITI / ITC, Graduates, Post Graduates students and students of the Engineering Colleges had the opportunity to attend these specially designed sandwich programmes and were able to absorb gainful practical knowledge.

- **For Under Graduates / Post Graduate students of Fishery colleges**
 - Fisheries Technology
 - Fishery Biology
 - Refrigeration & Equipment Engineering
 - Fishing Vessel Engineering
 - Seamanship & Navigation
 - Oceanography & Meteorology
- **For M.Tech. / B.Tech Students**
 - Marine Diesel Engine and associated system
 - Marine Engineering
 - Marine Refrigeration
 - Marine Electro Technology
 - Power Generation and Distribution onboard ships

- Marine Electronic equipments and Power supplies
- Food Preservation
- Marine Diesel Engine & Associated Systems with Engine Room Simulator
- Operation of Marine Diesel Engines with Engine Room Simulator

Bachelor of Fishery Science (Nautical Science) course [B.F.Sc.(N.S.)]

The B.F.Sc.(N.S.) course offered by CIFNET is a 4-year (8 Semester) programme mainly concerned with study of fish capturing techniques, nautical science and operation of fishing vessels. This programme has an exhaustive curriculum designed to provide profound practical knowledge on various aspects of the fishing and nautical sciences. This Degree course is affiliated to Cochin University of Science and Technology, Kochi. This course will be converted into a Residential course in due course.

This 4-year programme will be producing a new generation of experts in the fishing field who will be able to take up any challenges in the operation of fishing vessels and related research & academic spheres with confidence.

The candidate who have successfully passed this degree and the basic modular courses with required sea experience are exempted from all written papers and directly (without Post-Sea courses) appear for the Mate Fishing Vessel oral examination leading to the issuance of Certificate of competency as Mate of a fishing vessel.

Syllabus – outline

The Syllabus includes a detailed study of fishing, different types of fishing operation, construction of the fishing vessel, seamanship & navigation, study of engines and other machineries on board, maintenance of fishing vessels, oceanography & marine meteorology, Harvesting of fish, preservation of fish, post harvest technologies, economics of fishing among other related theories. The semester-wise papers of the course are outlined here under.

SEMESTER I		SEMESTER II	
CIF 1101	TAXONOMY OF FINFISH AND SHELL FISH	CIF 1201	BIOLOGY OF FINFISHES & SHELL FISHES
CIF 1102	FISHING GEAR TECHNOLOGY	CIF 1202	FISHING GEAR MATERIALS & ACCESSORIES
CIF 1103	SAFETY, SEAMANSHIP, WATCH KEEPING AND STABILITY	CIF 1203	FISHERIES STATISTICS
CIF 1104	FISH BIOCHEMISTRY & MICROBIOLOGY	CIF 1204	PRINCIPLES OF MARINE ELECTRONICS
CIF 1105	STRUCTURAL AND COMMUNICATIVE ENGLISH	CIF 1205	MARINE METEOROLOGY
CIF 1106	GENERAL MATHEMATICS	CIF 1206	ONBOARD TRAINING- NAUTICAL AND FISHING (Practical)
CIF 1107	TAXONOMY OF FINFISH AND SHELL FISH (Practical)	CIF 1207	BIOLOGY OF FINFISHES & SHELL FISHES (Practical)
CIF 1108	SWIMMING (Practical)	CIF 1208	FISHING GEAR MATERIALS & ACCESSORIES (Practical)
CIF 1109	LIBRARY / COMPUTER - (NC)	CIF 1209	PHYSICAL EDUCATION AND FIRST AID TRAINING
		CIF 1110	LIBRARY / COMPUTER - (NC)
SEMESTER III		SEMESTER IV	
CIF 1301	FISH POPULATION DYNAMICS	CIF 1401	PRINCIPLES OF AQUACULTURE
CIF 1302	INLAND CAPTURE FISHERIES	CIF 1402	FISH PRESERVATION TECHNIQUES
CIF 1303	CHART WORK AND PASSAGE PLANNING	CIF 1403	PRACTICAL NAVIGATION
CIF 1304	PHYSICAL OCEANOGRAPHY	CIF 1404	REFRIGERATION AND EQUIPMENT ENGINEERING
CIF 1305	MARINE ENGINEERING	CIF 1405	MARINE CAPTURE FISHERIES
CIF 1306	FISHING CRAFT TECHNOLOGY	CIF 1406	ONBOARD TRAINING - NAUTICAL AND FISHING (Practical)
CIF 1307	CHART WORK AND PASSAGE PLANNING (Practical)	CIF 1407	LIBRARY / COMPUTER/ ONBOARD TRAINING - (NC)
CIF 1308	LIBRARY / COMPUTER/ ONBOARD TRAINING - (NC)		
SEMESTER V		SEMESTER VI	
CIF 1501	SEED PRODUCTION AND HATCHERY TECHNOLOGY	CIF 1601	MARINE ECOLOGY
CIF 1502	PRINCIPLES OF FISHING GEAR DESIGN	CIF 1602	DESIGN OF COMMERCIAL FISHING GEARS
CIF 1503	SHIP CONSTRUCTION, HINDSHIP PROBLEMS AND CARGO WORKS	CIF 1603	FISHERIES MANAGEMENT
CIF 1504	NAVIGATIONAL AIDS AND FISH FINDING EQUIPMENTS	CIF 1604	SEAMANSHIP AND NAVIGATION
CIF 1505	NAVAL ARCHITECTURE	CIF 1605	FISHERIES EXTENSION

CIF 1506	COMMERCIAL FISHING METHODS	CIF 1606	ONBOARD TRAINING- NAUTICAL AND FISHING (Practical)
CIF 1507	SEED PRODUCTION AND HATCHERY TECHNOLOGY (Practical)	CIF 1607	DESIGN OF COMMERCIAL FISHING GEARS (Practical)
CIF 1508	PRINCIPLES OF FISHING GEAR DESIGN (Practical)	CIF 1608	LIBRARY / COMPUTER / ONBOARD TRAINING - (NC)
CIF 1509	LIBRARY / COMPUTER / ONBOARD TRAINING - (NC)		
SEMESTER VII		SEMESTER VIII	
CIF 1701	COASTAL AQUACULTURE AND MARICULTURE	CIF 1801	PROJECT WORK – FIELD VISIT/ DATA COLLECTION NAUTICAL SCIENCE / FISHERIES VIVA VOCE
CIF 1702	FLEET MANAGEMENT AND HARBOUR ENGINEERING		
CIF 1703	FISHERIES ECONOMICS		
CIF 1704	COASTAL ZONE MANAGEMENT AND MARINE POLLUTION (Elective)		
CIF 1705	AQUACULTURE ENGINEERING (Elective)		
CIF 1706	SHIP OPERATION TECHNOLOGY		
CIF 1707	FISH PRODUCTS AND BY-PRODUCTS TECHNOLOGY		
CIF 1708	FISH PRODUCTS AND BY-PRODUCTS TECHNOLOGY (Practical)		
CIF 1709	LIBRARY / COMPUTER / ONBOARD TRAINING - (NC)		

Mode of study

Theory - The theory papers will be handled by well experienced faculties of the Institute who have proven practical track records in their field of study. The classes will be handled with modern teaching aids like Multi-media, Internet, Overhead projectors, live models etc.

Practical

The curriculum is framed with special emphasis on practical aspects in Nautical science, Fishery Biology, Fishing Craft Technology, Fishing Gear etc. Practical exposure will be given to the students in the well established laboratories.

On-board training

The speciality of this 4-year Degree programme is the component of on board practical training given to the students during the course of study. The onboard

practical training will be an opportunity to students to get acquainted with the operation, management and maintenance of the vessel which is the unique nature of this course.

Method of Evaluation

- Observation of progress record** : Internal Assessment for 50% marks by Monthly Unit Test, Assignments, Attendance etc.
Semester Examinations (6 months)
- Examination** : Semester Examination will be conducted by the Cochin University of Science & Technology for 50% marks as per university regulations for under graduate programme.
- Award of degree** : After the successful completion of all the semester examinations, degree certificate will be awarded by the Cochin university of Science & Technology, Kochi.
- Minimum Attendance** : 75%

Career profile

After the successful completion of the 4-year Degree programme the candidates will be able to choose their career opening in Central Fishery Institutions dealing with Research, Fishing Vessel operation, State Fishery Departments, Universities and other Private Establishments dealing with Vessel operation, Fish Processing etc.

No. of Seats

Category	No. of seats	Remarks
Admission through CET	31	27%(OBC) 15% (SC)and 7.5%(ST) of the seats are reserved for OBC/SC/ST students respectively
Non-Resident Indian	01	---
Foreign National	01	---

Note: 3 seats for other state quota and 2 seats for state Govt sponsorship are reserved. To claim other state quota, the candidates are to produce **nativity certificate which is to be obtained from the authority after the date of our admission notification released** (ie 8.4.2017). Sample format may be downloaded from CIFNET Admission portal.

Eligibility Criteria

- Entry Qualification** : 10 + 2 with 50% marks in Maths and 50% aggregate marks in other science subjects and also minimum 50% marks in English either in 10th or +2 std. In the case of SC/ST students only a pass is required in the qualifying examination with the above subjects.
- Age limit** : Maximum: 20 years as on 1st October of respective year
- Vision** : In case the candidate wish to take up the career on sea/vessel he/she should pass the prescribed eye test conducted by Mercantile Marine Department before admission.

Mode of selection

Admission through CET: Based on Common Entrance Test (conducted by CIFNET), Academic performance in qualifying examination and interview.

Score Sheet				
CET	Academic performance		Interview	Total
1	2		3	1+2+3
50%	Qualifying Exam – (10 + 2)/ HSE	40%	10%	100%

NRI category: Candidates in this category need not come through entrance examination. Sponsorship by Non-resident India is only essential. If more candidates are applied in this category, the selection will be on the basis of academic merit and performance in the interview for which the yardstick projected above will be followed.

Foreign Nationals: Candidates in this category need Sponsorship of a foreign organisation is required. If more candidates are applied in this category, the selection will be on the basis of academic merit.

Total	5000	
^ Other Deposits (Non-refundable)		
Vessel Mess (Per year)	1500	To be paid yearly for mess onboard vessel
Total	1500	

Hostel Facilities

- Boys hostel : Hostel facility within the campus will be provided according to the availability only.
- Girls hostel : Not available.

Common Entrance Test (CET)

All applicants (except students sponsored by NRI & Foreign Nationals) who wish to undergo this B.F.Sc.(N.S.) programme with CIFNET have to appear for a Common Entrance Test at CIFNET, Fine Arts Avenue, Kochi -16. The Common Entrance Test will be of objective type, which covers the topics of Maths, Physics, Chemistry, Biology and English language. For each correct answer, 1 mark will be awarded and for every wrong answer, 0.25 mark will be deducted.

Instructions for filling of online application form

1. Read instructions for filling up online application form carefully
2. Candidate can save and proceed at each step of application.
3. Fill up all fields with the correct information. Mandatory fields are marked with Red Asterisks. You will have the liberty to edit certain fields as directed by the format including Address, Mobile number and qualification/marks etc.
4. After each save the candidate can discontinue filling of application, if she/he wishes and the same can be continued after some time. However the saved data will not be erased.
5. Keep a digitalized photograph & signature (max. 80KB memory, 30mmX45mm in size) in a formal dress against plain background, Avoid to take photographs in T-shirts, Tops, Fleshy clothing .
6. Assistance for filling/submission of application to the students also will be provided at helpdesk in the office of CIFNET, Kochi/Chennai/Visakhapatnam.
7. If any difficulties for submission of application, please contact over phone (8072550269 / 8281992008 / 9447576137) between 09.00 hrs to 17.30 hrs or through e-mail: admission@cifnet.gov.in

8. Intermediate communication, if any will be communicated to you through sms/e-mail
9. Hall ticket can be generated after the approval of this office
10. After submission of application successfully, Take the print out generated by the Computer and forward the same along with Demand Draft towards application fee and copy of following certificates to the address mentioned below
 1. Attested copy of age certificates
 2. Attested copy of 10th & 12th Marks list
 3. Attested copy of community certificate, if SC/ST (SSLC)
 4. One self addressed/stamped (Rs. 10/-) envelop.
 5. Nativity certificate for other state students for considering under other state quota.

NOTE:-

If there is no provision to fill the application through online or computer internet centre nearer to your house for filling of application and submission, you can also download the application manually from our website (cifnet.nic.in) and apply with Demand Draft for the required amount & necessary certificates (Sl.No. 10) as mentioned above
